Review Text

- this really is lovely. the overall design from the arms, front, and back makes this poncho unique. it's not too thick, either, making it a nice everyday sort of thing. however, it just didn't work for me. even though i'm 5'9", ponchos have a tendency to

"does this sweater make my hips look big?" my wife asked. this sweater was one of my christmas gifts to this fair maiden.

.
"no, love, it does not," i said, but i looked, to make sure my reflex was also correct. it's a beautiful sweater for my dear bride, mother of our three children, and no, it does not make her hips look big.

in fact, it draws out all her lovely lines and curves, just so. and she is a modest girl, so she wears a little undershirt so that her cleavage is somewhat...um...suppre

"vegan suede" makes these sound fancier than they are. i love them and they're super cozy and a nice change from plain leggings, but they're just a
